GRANITE STATE LANDFILL PUBLIC MEETING INFORMATION

On April 9, 2024, the U.S. Army Corps of Engineers, New England District (USACE) issued a public notice that it had received a permit application, file number NAE-2021-02240, to conduct work in waters of the United States from Granite State Landfill, LLC, 1855 Vermont Route 100, Hyde Park, Vermont, 05655. This work is proposed in unnamed wetlands and unnamed tributaries to Alder Brook and Ammonoosuc River at 172 Douglas Drive, Bethlehem, New Hampshire. For additional information on the proposed work, please reference the April 9, 2024 public notice and permit application, available at the links below:

1-669-234-1177 US Toll
Access code: 199 945 8471

The public comment period for the proposed project will be extended until **July 3, 2024**.

As described in the original public notice, comments should be submitted in writing by the above date. If you have any questions, please contact USACE, Regulatory Division, at CENAE-R-PN-NH@usace.army.mil, (978) 318-8295 (800) 343-4789 or (800) 362-4367.

Any person may request, in writing, within the comment period specified in this notice, that a public hearing be held to consider the application. Requests for a public hearing shall specifically state the reasons for holding a public hearing. The USACE holds public hearings for the purpose of obtaining public comments when that is the best means for understanding a wide variety of concerns from a diverse segment of the public.

The initial determinations made herein will be reviewed in light of facts submitted in response to this notice. Copies of letters of objection will be forwarded to the applicant who will normally be requested to contact objectors directly in an effort to reach an understanding.

Please reference the April 9, 2024 public notice and permit application, linked above, for additional information about the proposed work.

THIS NOTICE IS NOT AN AUTHORIZATION TO DO ANY WORK.

Frank J. DelGiudice
Chief, NH & VT Section
