

Thursday, February 19, 2026 @ 4:30 PM
Working Session
Dalton Select Board Meeting

Meeting called to order at 4:30pm by Jo Beth. Select Board members Jo Beth Dudley, Eric Moore and Thomas Dubreuil were present. Meeting available for public viewing via Zoom.

Public attendees: Mandy Deveno, Paul Deveno, and Pam Kathan. Via Zoom: None

Jo Beth stated that the business is to sign the town warrant approved with changes on Thursday, February 12, 2026. All changes have been made. The board already voted to sign the warrant and therefore no motion is required tonight.

Jo Beth executed the warrant and MS-636. Eric executed both documents as well. Tom reviewed the documents but refused to execute them.

Jeanette did cut vendor checks for the board to sign since none were done last week. The payroll check copies and direct deposit stubs along with the timesheets were provided for the board to review. The checks had been previously signed to meet the payroll deadline prior to this working session. Jo Beth asked about Casella's invoice that did not have any recycling charges for the loads taken to their NCES facility in January. It appears they have not charge us for them yet. Tom stated that the solar array isn't helping us as he signed the Eversource check. Jo Beth confirmed that it will not generate electricity in the winter if it is covered in snow, however, it will generate electricity to offset the electric bills in the summertime.

Jo Beth motioned to adjourn the meeting at 4:46pm. Eric provided a second with approval via roll call vote.

Minutes Respectfully submitted by Jeanette Charon.
