

HCA Meeting Minutes – April 27 2026

Call to order at 5:30 PM

In attendance – Paul, Warren, Jo Beth, Karel and Mike. (Not present – Wendy and Eric)

5:40 initiated call with Marcia Brown from NHBrown Law. Provided her an opportunity to share her background and experiences and then the committee was given the opportunity to ask her additional questions to determine if she was a good fit for our HCA document.

Marcia provided several meaningful work and educational experiences in our conversation. Some of the key ones were – working super sites for the AG’s office, doing state planning for coastal work, acting as assistant consumer advocate, DES regulatory experience, site evaluation experience, contracts and work for solar sites on landfills, NH contract law experience, holds a Masters in environmental law and chairs a co-op of attorneys that can provide her additional resources should she need them.

Following the productive call, Jo Beth made a motion to ask Marcia for a letter of engagement. This was seconded by Mike and all voted in favor.

Meeting minutes from March were motioned to be approved by Mike, seconded by Jo Beth and all voted in favor.

Next meeting was decided to be scheduled for May 18th at 6:30 PM
